## Luminous Skin Renewal - Dermalite Lightening Serum

A unique serum with an advanced technology, developed from Swiss Garden Cress (Lepidium Sativum) Sprouts, converted into a balanced formula with blemish and spot clearing efficacy. The natural extracts in SPECIFIX™ Dermalite Lightening Serum control and modulate melanogenesis process for a clear & even toned complexion.

SPECIFIX™ Advanced Professional Serum are developed specifically to address specific skin issues by leveraging the healing properties of nature and botanicals. Each vial contains highly concentrated dosage of efficacious actives to rejuvenate the skin.

### **Enriched with Swiss Garden Cross Sprouts**

Swiss Garden Cross Sprouts contain powerful antioxidant that is rich in phytonutrients. In addition to inhibiting melanin formation, the Swiss Garden Cross Sprouts brightens the skin, fades the appearance of discolorations, reduces the effects of daytime stressors and evens skin tone. It is a natural whitening active ingredient that has time-released activity due to the liposomal form.

This precise formulation combined in SPECIFIX™ Dermalite Lightening Serum helps removes blemishes and spots, evens skin tone and lightens hyper pigmentation spots.

Achieve your dream luminous, blemish-free & unified complexion!

Place your order for **SPECIFIX™ Dermalite Lightening Serum** and discover the whole range of SPECIFIX™'s revolutionary formulations that are specifically made for every skin type.
