Restore Healthy Glow Skin - **Radiantone Brightening Serum**

A cutting-edge serum that provides essential hydration without heavy pore-clogging ingredients, SPECIFIX™ Radiantone Brightening Serum contains extracts of the Peony, Scutellaria and Saxifraga Flowers that preserves the natural moisture barrier for relaxed, refreshed and radiant skin.

SPECIFIX™ Advanced Professional Serum are developed specifically to address specific skin issues by leveraging the healing properties of nature and botanicals. Each vial contains highly concentrated dosage of efficacious actives to rejuvenate the skin.

Enriched with Peony, Scutellaria and Saxifraga Flowers Extract

The extract of Peony petals has nourishing properties that act as a barrier to damage with excellent brightening and firming properties that keep your skin healthy and renewed. Scutellaria Flower Extract is well known in combating signs of hyperpigmentation, dark spots and excessive amounts of pigmentation to the surface of the skin while the anti-oxidants in Saxifraga Flowers Extract contains powerful properties that brightens and fades dark spots and discolourations.

This precise formulation combined in SPECIFIX™ Radiantone Brightening Serum helps optimize your skin moisture levels, providing long-term hydration, leaving your skin looking glowy, brighter and healthy.

Obtain optimal skin clarity with a crystal clear, even out complexion!
