## All-in-1 Total Radiance Revival – Radiantone Skin Brightening Facial

SPECIFIX™ Radiantone Skin Brightening Facial is enriched with natural extracts and vitamins to help promote cellular regeneration and even out skin tone. The formula helps to increase skin elasticity while providing hydration and nourishment to enhance skin with radiance and suppleness.

SPECIFIX™ Advanced Facial Kits find the optimal balance between Nature and Science to adapt to your individual skin care needs. These kits are ideal for professional usage and are very effective in treating any skin problems.

### Explore the skin-loving-ingredients

Fortified with Niacinamide – that has dermatologists' seal of approval for everything from brightening, to clearing the skin by restoring cellular energy, repairing damaged DNA, and reducing the immunosuppressive effects of sun-induced UV rays.

Boosted by Mulberry, which contains anti-inflammatory action and inhibits Tyrosinase/Melanogenesis activity that helps to diminish uneven skin tone. Vitamin C is known to decrease melanin production and vitamin E is effective in reducing UV-induced hyperpigmentation in just 4 weeks<sup>1</sup>, with the combination of both being more pronounced.

With all of these powerful actives combined, revive your desired lustrous complexion!

Place your order for **SPECIFIX™ Radiantone Skin Brightening Facial** and discover the whole range of **SPECIFIX™**'s revolutionary formulations that are specifically made for every skin type.
