Crystal Clear Skin Clarity - Sebumcontrol Purifying Serum

An advanced serum that delivers necessary hydration without heavy pore-clogging ingredients, SPECIFIX™ Sebumcontrol Purifying Serum contains Enantia Chlorantha Bark Extract that provides long-lasting matte appearance, soothes the skin, reduces pore size and reduces sebum secretion.

SPECIFIX™ Advanced Professional Serum are developed specifically to address specific skin issues by leveraging the healing properties of nature and botanicals. Each vial contains highly concentrated dosage of efficacious actives to rejuvenate the skin.

Enriched with Enantia Chlorantha Bark Extract

The antibacterial properties in Enantia Chlorantha Bark Extract regulates the sebaceous glands and prevents the formation of acne, reduces sebum production and the appearance of oiliness and shine. By decreasing 5-alpha reductase enzyme activity and scavenging free radicals, Enantia Chlorantha Bark Extract helps control sebaceous gland secretions. It also tightens and firms your skin and aids in the removal of extra oil.

This alcohol-free formulation in SPECIFIX™ Sebumcontrol Purifying Serum is a fast absorbing serum that helps reduces pore size and sebum secretion while giving your skin an even complexion with a radiant glow.

Restore your skin's clarity with a visible luminosity and a clear complexion!

Place your order for **SPECIFIX™ Sebumcontrol Purifying Serum** and discover the whole range of SPECIFIX™'s revolutionary formulations that are specifically made for every skin type.
