## Perfectly Illuminated Complexion - White Blossom Serum

Developed with years of research, SPECIFIX™ White Blossom Serum brightens skin tone with non-sticky protective film to achieve a more even complexion.

SPECIFIX™ Advanced Professional Serum are developed specifically to address specific skin issues by leveraging the healing properties of nature and botanicals. Each vial contains highly concentrated dosage of efficacious actives to rejuvenate the skin.

### **Enriched with Citrus Lemon Peel Extract**

Lemon peel contains certain enzymes, vitamins and minerals. It also contains important essential oil citral, limonene and flavonoids with more than 44 different flavonoid glycosides, citric acid and other plant acid. Lemon peels help in preventing and fighting skin problems such as wrinkles, acne and pigmentation. It is also rich in antioxidants which tend to detoxify the skin to a very great extent.

This cutting-edge formulation in SPECIFIX™ White Blossom Serum helps stimulate skin cell renewal, increases your skin moisture level while reducing pigmentation.

Achieve perfectly illuminated complexion with a fairer, radiant and even skin tone.

Place your order for **SPECIFIX™ White Blossom Serum** and discover the whole range of SPECIFIX™'s revolutionary formulations that are specifically made for every skin type.

**MADE FOR SPECIFIC NEEDS!**
